

Freedom Scientific
TYPELite

Unparalleled power and versatility

Type Lite offers a wide variety of powerful productivity tools. Popular features include a full word processor with spell checker, phonebook and appointment calendar, advanced file management capabilities, and much more. This portable device goes anywhere you go.

Refreshable Braille display

40-cells of refreshable Braille give you full access to notes and documents, electronic books and even your personal computer. The Braille display controls provide smooth and easy navigation throughout your documents. Type Lite's cursor routing keys make instant editing a snap.

Type Lite and your PC

Connect Type Lite to your computer running JAWS® for Windows® screen reader, and you have a completely accessible workstation. Type Lite's Windows style keyboard allows for input and navigation with this world leader in screen reading software--a feature no other Note-Taker can claim. Enjoy instant switching between Note-Taker mode and computer keyboard and Braille display modes without losing your place in files or applications. Transfer files between your computer and Type Lite with the exclusive WinDisk transfer feature. At home, school, or work, the multi-purpose Type Lite is the only access device you need.

Features equal convenience

Type Lite delivers 14MB of memory plus unlimited file storage and easy system backup with CompactFlash™ removable memory cards. You'll enjoy over 30 hours of use between battery charges. There's even a built-in alarm, stopwatch and scientific calculator. Connect your Type Lite to a printer or Braille embosser and you have instant hard copy versions of files. And, the internal speech synthesizer has fully adjustable rate, pitch, volume, and more.

Connect Outloud
web access
software is
included with
each purchase

Type Lite provides many unique features making it an unbeatable choice for busy lifestyles.

- Full Grade 2 Braille support -- view your documents on the Braille display in Grade 2 Braille or emboss them on your Braille embosser.
- Includes leather carrying case and strap, all documentation and cables.
- 30-day money-back satisfaction guarantee.
- One-year product warranty.
